RESIDENT NOTIFICATION

St-Germain Club Riviera Activation, Barangaroo

Dear Resident,

We are writing to advise you of the upcoming **St-Germain Club Riviera** activation taking place across Barangaroo from **Wednesday 18 November to Monday 21 December 2026**.

Location
The activation will take place at several locations throughout the Barangaroo precinct, including:

- Barangaroo House Lawn
- Pier Pavilion
- Waterman's Cove
- Wulugul Walk
- Participating hospitality venues throughout the precinct

Event overview
Club Riviera is a precinct-wide summer activation presented by St-Germain in partnership with Placemaking NSW and Lendlease. The program will include Riviera-inspired installations, venue takeovers, branded styling, consumer sampling and public entertainment at selected times.

Activities will include DJs, live musicians, roaming performers, live illustration, styling experiences and promotional gifting. Alcohol service will be limited to the approved consumer events at Pier Pavilion on 20 and 21 November and will be managed by the venue under its applicable liquor licence.

Anticipated impact
Residents may notice increased activity within the precinct during scheduled event periods, including:

- Temporary event furniture, signage and themed installations
- DJs, saxophone players and other live entertainment at selected locations

- Increased pedestrian activity around activation areas
- Short, coordinated vehicle movements during event setup and removal
- Security, event staff and promotional staff working throughout the precinct

Normal pedestrian routes and access to surrounding residences, offices, shops and restaurants will be maintained. Pedestrian pathways and emergency access routes will be kept clear, with deliveries and vehicle movements coordinated to minimise disruption.

Security and event staff will manage queues and crowds at the major activation areas. Weather conditions will also be monitored, with temporary elements modified, secured or removed if required.

We appreciate your patience and understanding while the activation is underway and will make every effort to minimise disruption to residents and the wider community.
