Update to Operating Hours – The Cutaway Public Toilets

Dear Residents, Tenants and Community Members,

We would like to inform you of an upcoming change to the operating hours of the public toilets located at The Cutaway, Barangaroo.

Following the conclusion of Vivid Sydney on Saturday 13 June, the toilets will transition from their current extended hours (open until midnight) to reduced operating hours from 6.00am to 8.00pm.

This change has been made with safety for both patrons and staff as the number one priority, as there have been an increase in incidents occurring in and around the facilities including anti-social behaviour and property damage.

This change will be introduced as a trial, and we will continue to monitor community feedback and operational impacts during this period.

What happens next:

- The Cutaway public toilets will be accessible daily from 6.00am to 8.00pm
- The lift on the ground floor will be accessible daily from 6.00am to 8.00pm
- Public access to the ground floor of The Cutaway will cease overnight

We recognise the importance of accessible public amenities and will closely monitor the impacts of this change. Community feedback will help inform any future adjustments to operating hours.

If you have any questions or would like to provide feedback, please contact the team at barangaroo.precinct@property.nsw.gov.au

We appreciate your understanding as we work to maintain a safe, clean and welcoming environment for all visitors to Barangaroo.

Kind regards,

Placemaking NSW
