

Event notification

12 December 2023

Dear Neighbour,

Thank you for your continued support for the fabulous events we host at Barangaroo.

This letter is to inform you that **NYE2023 at Barangaroo** activities will be taking place throughout Barangaroo Reserve between **Wednesday 27 December 2023 – Tuesday 2 January 2024**.

Barangaroo Reserve is one of Sydney's best vantage points to ring in the New Year and is the ideal spot for families, friends and couples to enjoy panoramic views of the fireworks and western face of the Sydney Harbour Bridge.

The NSW Government has a commitment to ensure that all NSW Government managed public vantage points will be free for the general public to enjoy, and we're delighted that this year Barangaroo Reserve will provide a free and non-ticketed site for all to enjoy. The event area will be limited to a maximum capacity of 10,500, including 250 in our dedicated Accessible Viewing Area. Plans have been made to ensure that the crowds are managed with respect to the local residences community.

Barangaroo Reserve will be closed to the general public earlier than usual to accommodate the safety and security of the event operations. **The Reserve will close from Midnight 30 December 2023 and reopen at 6am on Monday 1 January 2024** (or when it's safe to do so). **Access to the event** will be via Wulugul Walk and into the Cutaway. All other access points to Barangaroo Reserve will be closed. Clear signage at these points will redirect patrons to the entry point.

Additional overlay for crowd management

Due to the larger crowds expected we have installed additional variable messaging boards (VMS boards) and PA system strategically placed around the perimeter of Barangaroo to disperse important key and safety messaging as required.
