The NSW Government is delivering the next stage of upgrades at Marrinawi Cove, creating more space to relax by the harbour and new changing facilities for swimmers and visitors.

Key dates

Monday 23 November for up to 3 weeks

Location

Marrinawi Cove toilets, Barangaroo

What we're doing

The Marrinawi Cove toilet block will be temporarily closed from **Monday 23 November 2026 for up to 3 weeks**.

The closure is part of the Stage 2 upgrades to Marrinawi Cove, which will deliver:

- Around 380 square metres of additional public open space
- New lawn areas for relaxing and picnicking
- Additional seating and shade
- New planting and landscaping
- New changing facilities.

The upgrades are expected to be completed in time for summer.

What to expect

Temporary toilet facilities will be provided nearby while the toilet block is closed, including an accessible toilet.

The closest alternative public toilet facilities can be found at Hickson Park or the Harry Jenson Activity Centre.

We thank you for your patience while we deliver these improvements to Marrinawi Cove.
